

Luis V. German Jr.

January 15, 1982 - February 4, 2023

Luis V. German, Jr. passed away unexpectedly on Saturday, February 4, 2023 at his residence in Cherry Hill, NJ. Luis was the cherished husband of Larye, beloved only son of Luis and Sonia German and doting older brother to his sister Carolina.

Luis was baptized at St. Luke's Church in the Bronx, New York and spent his early years in the Bronx and Brooklyn New York. His appetite for learning was apparent at an early age as demonstrated by his selection to the Mary Magdalene school's Gifted and Talented program. Luis earned a Bachelor of Arts degree in Education and Masters of Arts in School Administration degree from Rowan University.

An English teacher for seventeen years at Lenape Regional High School, Luis provided positive connections for his students on a daily basis and was a mentor and listening ear for those whom he sensed needed encouragement.

During his youth, Luis played baseball and basketball, a fitting start to his love of all local sports teams especially the Philadelphia Eagles and Phillies.

He appreciated the arts, and was himself a creative man; writing poetry and short stories, sketching, painting and photography. Luis was known for recalling the perfect quote from literature to apply to a situation.

He found pleasure in playing video games, sampling different cuisines, biking and fitness. Luis called himself a “homebody” who loved watching TV and movies with Larye and their dog Teddy and walking Teddy through their Barclay Farms neighborhood and on local hiking trails.

Everyone who knew Luis loved Luis. His heart was big and his spirit was generous. Well done, good and faithful servant. You have earned your rest.

A gathering of family and friends will be held Friday, February 10th, from 9:30 a.m. to 11 a.m. at Givnish of Marlton 398 East Main Street. Luis’ Funeral Service will begin at 11 a.m.

Burial will follow at approximately 12:00 pm at Colestown Cemetery, Cherry Hill.

In lieu of flowers, the family requests donations to the Luis V German, Jr. Memorial Scholarship that is being established to benefit students of Lenape Regional High School. Details will be made available at a later date.

“ I remember Mr German for senior year English IV. He was a great teacher, lax in all the right ways but still could get an important lesson through to you. Some of the laughs we had as a class still stick with me all these years later. Crushed to hear of his untimely passing. My sincerest condolences to his family & friends.

“ I never had Mr. German as a teacher during my time at Lenape, but we talked every now and again. I don't even think he knew my name but we'd always say "hey" "how you doing" etc... and while I didn't think long and hard about it, I always liked talking to him no matter how brief. Although simple, I will always appreciate his kindness.

“ Luis always brightened my day whenever I substitute taught at Lenape, and I always looked forward to talking to him. We first bonded over our love of Seinfeld and Curb Your Enthusiasm, but eventually our ongoing, six-year conversation included a wide range of topics, from exercise to buffalo burgers to our mutual frustration whenever a show we liked was cancelled. His warm, generous nature, infectious smile, and good-natured laugh were a rare gift, and he always made everyone feel welcome and heard. I will always miss him and I will forever remember him. What a blessing it was to have known him. My deepest condolences to his family, friends, coworkers, and students.

“ Mr G was my teacher for English 3. He noticed I was t engaging with the material as much as expected so he gave me 1984 to read instead. As cliched as it sounds, reading that is what got me to question my long held political stances that I'd been raised to believe. In no small way, he is largely responsible for the man I am today. Thank you Mr G. I'll never forget you.

“ Luis, to call you a generous, humble and gracious soul would be an understatement. You were always quick to drop everything to lend an ear to anyone who needed it and yet slow to pass judgement on them. You had the most incredible gift for making your students, your friends, and even complete strangers feel truly seen and heard. You were a courageous teacher and mentor to so many kids - never afraid to geek out about videogames and movies and drop a ton of corny dad-jokes along the way. You leave behind a legacy of unconditional kindness. You made the world a better place. Rest easy my friend.

“ *Mr. German was my English teacher 18'-19'. He was an amazing teacher who showed compassion for us students. He always made us feel safe in his class. We had so many good memories. One that stood out particularly was when we played kahoot and he ended up winning, when he danced around the room he put smiles on everyone's face. No matter what kind of day someone had he always managed to take time out of his day. Thank you mr. German you've touched so many lives and you'll never be forgotten*

“ Mr. German was my favorite teacher I've ever had. I had him for Jr year 2017-18 then I liked his class so much I asked to have him again and was in 2018-19 senior year for me. He was great at teaching everyone in a way they learned best, and yet able to relate on a personal level. He always gave me the best life advice and told his personal stories to tie into why working hard goes a long way. He influenced me to always do my best in college. He always made my class laugh and made everyone feel welcomed. I'll never forget all of the fun times he gave our class as well as the teachings and life advice he gave us. It'll forever be appreciated.

You stepped waaayyy out of your comfort zone to help chaperone my class on the white water rafting trip and Hershey Park with all the roller coasters. When asked to go rafting again I can still hear your reply of Hell no! And the laugh that came after it. Loved our many conversations and our shared commitment to the kids. My fav story being of how you meet your lovely bride. You, my friend, were pure joy and I will always smile when I think of you. Rest easy my friend. May memories of your laughter and kindness bring comfort to your family and the many lives you have touched.*

“ Words cannot describe the impact that Mr. German left on the ones he was close to. He was an amazing teacher, with an outstanding gift for molding minds and truly educating his students. More than that though, what he taught was that you should be kind and caring to all, and always reach out to those you think are in need. Mr. German was more than a teacher, he was that rare person who could truly inspire you and leave a lasting impact, and his lessons will help his students to be good people. He will truly be missed

“ Luis was a good friend and colleague who helped me through many difficult times over the 14 years we worked together. We shared a love for hip hop, for shows like Arrested Development and Breaking Bad, and for the glory days of the 90s NBA. He teased me for how loud my heels were in the hallways and never understood how I had yet to see The Godfather. Well, Lou, I've seen it now and truly wish we could talk about it.

The influence Luis had on students extends far beyond what anyone can understand. He was real, he was kind, and he was funny. I will miss him always.

“ Luis was my next door neighbor in ND hall. We shared a wall between us for many years and I always knew when his lessons were getting exciting or the kids were having fun because you could hear it on the other side of the wall. It always made me laugh. It also inspired me to make sure my students were as engaged and enjoying themselves because I wanted him to hear it through the wall. You could tell he had a special connection with his students that will never be replaced.

“ Mr. German was kind. He taught us a about life. We talked about things we were dealing with. He told us stories. We talked about music, food, work, worries, and anything else we felt like talking about.
If you weren't in the mood to talk, he understood that too. On bad days he would let me sleep. Check up on me, ask if I needed anything and just let me be. He knew I needed it. I knew that if I needed something I could go to him. Mr. German was a positive and amazing teacher. 4th period will never be the same.

“ I had the unique privilege of knowing Luis as both a student and a colleague. He was in an Algebra class at BTHS where I was a coteacher and years later I was on Lenape’s CST when he was hired as an English teacher. He had a hard time using my first name in the beginning, but as time went on we would have fun reminiscing about BTHS when our paths crossed in the hallways. I retired from Lenape 8-1/2 yrs ago, but filled in a bit this past October , and had a brief happy conversation with Luis in our offices. His smile was at the ready and his heart was big. I am so saddened for his loved ones, colleagues, and students. My prayers are with his family for strength and peace in The difficult days ahead.

“ Hi, my name is Jaelyn.

I was one of Mr. German's students. He was my all time favorite teacher. Always made me comfortable and understood. Fortunately I had the opportunity being in his class two years straight. It was the best last two years high school. I'd eat lunch with him, crack jokes. He was the best!

During that time I was very sick. He was one of the few teachers that consistently checked in on me. Always making sure I was okay. He was also the only teacher willing to write my reference letter to get into beauty school. (Thanks again Mr.G <3)

Luis German was an amazing person. Those that got the chance to have a relationship with him are very lucky. God bless him, his family and close friends. I send my love and condolences to everyone of them.

“ Dear family of Mr.German, My names Mazani Reeves I was one of Mr.Germans students. I'm sorry for how you all are feeling and grieving my grief can't compare to how you guys are grieving because you are his family.Everyone at Lenape Highschool that knew Mr.German knew he was a people person. He adapted to all the different class settings he had and he made us all feel at home even students that didn't have a classroom to share with him like most of us. I'm forever grateful for Mr.German his will to inspire and his attitude about life gave me hope. I struggle with mental health and I shared a lot of it to him, he gave me a new mindset for life.. for my future and he was always everyone's shoulder to cry on as well as us being his despite him always saying he was okay. I love Mr.German as a teacher but even more as a person. His hope for my future success gave me my life and he'll always remain in it because I will continue to live my life in hope he's at-least laughing with a full teeth smile as he watches me and even all of us grow together.
