“ *"When I had to work in CH for that period of time, you welcomed me/us from WT with open arms and did everything to make us feel like family. We spoke throughout the years and you were always positive and thorough in everything you did. May you rest easy and know the lives you touched have been made better because of you. That goes from family, friends, co-workers and the numerous clients you came in contact with."*

*Sincerely,
Juan*

“ I will always remember going out preaching together. I always looked forward going out preaching with you and Ralph spending those 2-3 hours if I could I'll spend the whole day. You always knew what to say. Gave me plenty of talks, plenty of laughs, and plenty of advice needed at the time. I will never forget those precious moments.
