“ *Uncle Lyndel, this is still such a shock, but I know you are smiling down on all of us and keeping an eye out as you always did. I always cherish the moments that I see you and Grandmom in my dreams. Love you and miss you, Karen Leslie*

“ *My deepest sympathy to the Brown Family. What has given many much comfort and hope is what Jesus said at John 11:25, "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life."*

“ *What can I say about Uncle Lyndel . . . He provided me with a federal job application that ultimately paved my way through my federal government career. Without his support and words of wisdom, I am certain that I would not have maintained 25 years of federal government service. Uncle Lyndel was my "cheerleader" when I suffered set-backs, as well as promotions. Often, he spoke of his federal career with the IRS, which encouraged me to "push through."*

*One fond memory I have is witnessing Uncle Lyndel talking to my son, Christopher. He referred to Christopher as "Christopher Gerald Walker the Third." Following several facial expressions and a brief pause, Christopher's response was, "No, Uncle Lyndel - Christopher Gerald Walker, Kindergarten!" As you can see, Uncle Lyndel always kept the younger generation "on their toes."*

*Without a doubt, my children and cousins share the same respect and adoration for him. His legacy will continue to grow through us and generations to come.*

*Lovingly,  
Charna Kim ~ Niece*

*So sorry for your recent loss, Charna. I remember your Uncle Lyn as a caring, thoughtful man, even as he struggled in his final days. I am sure that he had touched many, and was loved by many. ~ tracye wilson*
