“ *We have lived across the street from Peg & Joe for almost 25 years. We've always enjoyed being their neighbors and sitting on their front porch on summer evenings talking about whatever.*

Peg always kept an eye on us, enjoyed seeing our kids play in the neighborhood and grow up.

She would share many stories about the “old” days” in town and of Joe. She particularly enjoyed our Christmas light decorations each year.

We will truly miss her.

Best to all of her family.
