

Marie A. Bornmann

June 16, 1944 - December 1, 2025

Marie A. Bornmann, 81, of Cinnaminson, NJ, passed away peacefully on Monday, December 1, 2025, with her family by her side. Marie was a resident of Cinnaminson for the last 41 years.

Devoted wife for 50 years to the late William F. Bornmann, Jr. Beloved mother of Eric Shane Bornmann and Tara Marie Smith (Michael). Cherished Mee Mom to Nathan, Michaela (lovingly known as Mee Mom's "Petunia"), and Shane.

Marie was predeceased by her loving parents, Stanley and Josephine Foreman (née Wisniewski).

She is survived by her dear Uncle John Preston; cousins Maria Ruppert (Ron) and their children and grandchildren; Michael Preston (Jackie); Rick Preston (Art); and Johnny Paul Preston (Angie) and children.

Loving stepmother to Donna M. Zawislak (Greg), William F. Bornmann III (Jennifer), Sherri Lynn Hasty, and Kimberly Ann Erwin-Rizzi (John), and their dear children.

Marie was born and raised in Bridesburg, PA which always held a special place in her heart. She worked for many years as a secretary with the

Philadelphia Police Department retiring to spend time doing what she truly loved, raising her beloved twins. Later she took on two part-time jobs that she enjoyed. One at Westfield Friends School and the other at Regina's Travel in Riverside, NJ. Marie finally retired from working to take on her all-time favorite role, caring for her beloved grandchildren. She and Bill basked in this time of their lives. Taking the kids on fun day trips together to the Flying W, swimming in their pool all summer long, and many, many trips to Friendly's winning every stuffed animal the claw machine had to offer. Her children were more than grateful for the love and support she constantly gave with never so much as a complaint. She never missed a game, graduation, competition, birthday, or school play. She truly enjoyed every moment with her "babies." These were Marie's most cherished years of her life.

Marie is deeply missed and forever loved by her family and friends. She was selfless, gentle, kind-hearted, patient, and stronger than she knew. She had the absolute sweetest giggle and the most beautiful smile that will forever live on in our hearts.

A gathering of family and friends will be held on Wednesday, December 10th, at Givnish of Cinnaminson, 1200 Route 130 North, from 8:30 a.m. to 10:00 a.m., followed by her Funeral Mass at 10:30 a.m. at St. Charles Borromeo Church, Cinnaminson, NJ. “ My grandma was more than just a grandma to me. Everyday she would love for me and my cousins. She pretty much raised me and my two cousins. Every day after school I'd go to her house, I'd do my homework and I'd either watch tv or play with my cousins. I remember when me and Keala would play school in her living room, I remember when Nate introduced me to some of my favorite video games. I remember getting soup and a pretzel with meemom, or going to Smoothie King to get a smoothie where my cousin works. Crazy how that was about 2 months ago. It's also crazy that just a few months ago, I was with her visiting popops grave, now I'll be visiting both their graves. No one could have predicted it. All though I think we all knew it was coming, I don't think anyone could have predicted that she wouldn't come home. I am so thankful for the 15 years of joy this kind woman gave to me. I am thankful for her. I really do hope there's an afterlife because she deserves the best afterlife there is. I remember having sleepovers with Keala. I remember playing Halo Reach with Nate. I remember the times where we'd all go there for dinner and swim in the pool. I remember during Covid me and my dad drove up there in our Montecarlo, I remember when she would drive me to the summer camp that I used to go to. Or going there in the morning of summer. It's so hard to believe all of that has ended. It is just so difficult to understand that someone who was perfectly happy and healthy just a few months ago has now left us in such a short time. But why should we be sad? Why cry over it? How about we celebrate the years she was with us, all she did for us, all she did for others. She gave us everything we ever wanted. She baked us cookies and brownies, she made my dad salads and dinners probably every night. I couldn't be happier knowing I spent 15 years with one of the sweetest women in the world. And I will never forget her awesome French toasts. Snd one day, hopefully me and her can go to friendly's, just like she said she would take me before she passed. Love you mee mom.

“ Eric & Tara... my heart is with you both during this incredibly difficult time. Your mother Marie was such a warm and gentle presence... someone whose kindness stayed with you long after any conversation ended. I know how deeply she loved her family, and how proud she was of the two of you.

Losing a parent is a pain that settles into places we didn't know existed... but I hope you can take comfort in knowing that Marie's love didn't end. It lives on in the way you care for others, in the memories she gave you, and in the strength she passed down to you both.

May her spirit stay close to you... guiding you... comforting you... and reminding you that love never ends, it just changes form.

Sending you all my love as you navigate the days ahead. Marie will always be remembered... and so deeply missed.

Dear Tara and Eric
So sad to hear about Marie passing. As a neighbor and friend who met when you both was going to St Charles. My son Bob was going in to kindergarten. Marie always had a laugh, smile for everyone she met.

Couldn't have asked for a better Mother-in-Law. Kind, sweet, and generous. Not a mean bone in her body. I'm blessed to have been a part of her life. We will miss you like crazy 💔
