“ *Dearest Maria, we been friends for a long time. I'm sure going to miss your smiling face coming in every month for 35 years . We've cried we've learned, and we I laughed a lot together. I'm going to miss our talks, you've used them and integrity and morals or above none. And to your family i'm so sorry for your loss, Or spirituality and her soul was strong, so I know she is with the Angels and her hair looks marvelous. PS. “ *My Dear Friend Marie was a great lady, I just mentioned her in the April edition of "The Villager". We had some wonderful parties and times together, especially Halloween; she came up with incredible costumes. Everyone who knew Marie loved her!! To all of her family, my sincere condolences. I truly thank God that she has gone to be with Him and is no longer suffering the indignities of illness and old age! May this thought give you the strength to cope with your tremendous loss. I am sorry I could not have been there for her in these last years of physical needs. When we were in touch we always had a chuckle! I will never forget her and will miss her!*

“ Marie was our lovely, new neighbor when we moved next to her in November of 2015! She was so pleasant and welcomed us to the community. We shall miss her and her insightful talks with us! Dean and Carol (43 Eddystone Way).

“ So sorry for your loss. My mother was Madeline Ray. She and your Mom spent many years together playing bridge and "lunching " as the ladies did back then. My mom passed 4 years ago but I know she held those memories dear to the very end. My condolences.

Mrs. Lamb - You were a wonderful Mother and friend. I count myself blessed to have known you. Always graceful with a warm smile, you brought out the best in everyone. At 90 you were still a fantastic cook that easily whipped up a dinner worthy of being served at a five star restaurant.. The difference being you served it in your home with the patience a princess and your special warmth..

*With my condolences and all of the love friendship can impart.
