

Marlene D. Volper

May 11, 1962 - November 9, 2024

Reverend Dr. Marlene D. Volper, a cherished resident of Cinnaminson, peacefully passed away on November 9, 2024, she was 62.

She was born in Toms River, NJ on May 11th, 1962, to her late parents, Rudolph Volper and Lena Volper (Schmid) and grew up in White Plains, NY. She is also predeceased by her brother, Walter “Wally” Strobel.

Marlene worked as a Hazard Site Mitigation Specialist for the Department of Environmental Protection for the state of New Jersey, retiring early to enjoy her life to its fullest. Marlene could be found spending her free time with her labor of love - her garden. She loved to travel the world and experience new things with friends. She appreciated great food, great music, and a great show on Broadway. Most prominently, she received her Doctorate of Divinity and became a licensed Religious Science Practitioner, Ordained Religious Science Minister at the Center for Conscious Living where her role as a prayer practitioner and Assistant Minister was graciously appreciated by the congregation for over 20 years.

Marlene is survived by her companion, William “Bill” Brennan, brothers Ulrich “Uli” (Jackie), niece Tanya Powell (Terry), and nephews Richard (Joann) and Michael (Jill) Strobel. Her contagious laugh and love for life will be sorely missed by numerous other nieces, nephews, extended family members,

special friends (you know who you are), as well as her beloved fur babies; Jasper, Abbie, and Sonny.

Our cherished “Auntie M” leaves behind a legacy of love, devotion, and cherished memories that will continue to live on in the hearts of all who had the privilege of knowing her. May she rest in peace and eternal light forever and ever, and so it is – she is free.

In lieu of flowers, please consider donations be made out to the Center for Conscious Living, P.O. Box 44, Moorestown, NJ 08057.

“ I am thankful for knowing and having Marlene as a dear friend in my pursuit of holistic learning and living. I met Marlene 30 years ago in a class about herbs and eventually learning feng shui, two issues that kept us in touch with each other until I retired from government and relocated to Florida. Marlene was a visitor to Florida, from the very beginning and we always picked up where we left off from the previous visit. Marlene always enjoyed her spa day when she visited and relished her morning tea sitting outside in the morning. Lots of times Marlene would sit and read outside enjoying the peaceful sounds of the running water in the pool. Yes, I will miss her, yet I have lots of memories of times we shared together over the years.
