“ *I knew Mary for the past couple of years. I was her part time companion caregiver, and we became good friends during our time together. She was a lovely person, kind, and encouraging. Her faith was evident and we often prayed together and shared our thoughts about many things. I will miss her very much, and feel honored to have known her.. I look forward to seeing her again in the presence of our Lord Jesus Christ when I finish my race here. My condolences go out to her family.*

*Sincerely,
Susan Worrell*
