“ *Kath,  
Growing up, I felt so comfortable in your home. Your Mom and Dad were the best and like second parents to me. I have so many fond memories of Jane. She was such a good cook. Loved being invited to "dine". It was divine intervention when I found her later in life while going through my health ordeal. She was such a blessing to me. I will always remember her fondly and will miss her. God bless you at this most difficult time.*

“ Dear Kathy and Hobie and families,

*I am sorry I cannot come due to my limited mobility these days. I have many fond memories of both your parents and all the times we used to spend together at my parents Normandy house. Just think of them all having a great family reunion up in heaven, where they are all young and healthy again.  
PRAYERS of comfort for you all.*

*Love from Ellie*

*Dear Kathy and Hobie,  
I also remember with a lot of fondness those big get togethers we had in Normandy. We were blessed to have so many Aunts and Uncles. Aunt Jane and Uncle Joe were great people. Bless Aunt Jane for her longevity.  
Take care,  
Monica*
