“ *It was always nice to come home to see mom mom and Stephen watching Thomas the Tank Engine as they both yelled out the names of the trains during the intro. She was the highlight of every day she was in our lives.*

“ *Mom Mom Mary was a Godsend when we she cared for our son full time from the time he was 6 months old until he was 3 and went to preschool. There was never a doubt that she did everything that was in his best interests every day. She instilled good eating habits, daily exercise (even in extreme weather) and a social environment for him to thrive in building friends. And she did it all with love and humor. And all of this began when she was in her 70's! She attended his religious milestones, and graduations, earning the seat of honor at each. Mom Mom was a beacon of love that will be sorely missed until we meet again.*
