MI

“ Sending my condolences to Ms. Mary's family. I'm sad that I won't get to see your smile again. Always such a sweet and happy lady but she would let you know if something bothered her (as she should). A bit of a little (short) firecracker. May your journey to the other side bring you much deserved peace and happiness. Also sending condolences from my mother (she does not know how) who is going to REALLY miss Mary. She was one of her closest friends, her brunch buddy and Boscov's adventurer. Life will be a little different for my mom now that she's gone. Already missed. xoxo
