“ *Cindy & Family,*
I would like to give my sincere condolences to you and your family. Your mother was a great woman. We had some great times together. Mary welcomed me the first day that I started working with her and made me feel right at home. She was a pleasure to work with and an even better person outside of work. I miss the good times we had. Cindy, I always admired you and your mother's relationship. It was the most precious mother/daughter relationship I had ever experienced. I know you lost your best friend, but please try to remember all of the good times. Your mother was always so proud of you. Your mom will always be in your heart. Mary, please rest in peace old friend.

*Deepest sympathies,
Cathy Connolly Prendergast*

“ *I had the pleasure of knowing Mary Helen since 1957 when she still lived in Sutton WV. She was one of a kind, such a sweet loving and caring person. She will be missed by all who knew her. This world has lost a real gem but heaven has gained a real angel. May you feel the arms of God holding each of you who are mourning this loss.*
