*Maureen,
From the moment I met you, I knew instantly that you would become one of my closest confidants. Your work ethic and dedication to both staff and patients was a privilege to witness. I always loved that you humored my crazy ideas and plans and would interject (after clearing your throat) and say welllll.....lol. You fought your battle and never missed a beat. You had the respect of so many of your colleagues but were so humble that you would say "I am just doing my job". Me and the rest of your Golden Girls (GGs) will follow your lead and continue to GSD! I hope you are on heavens most amazing beach.
Love,
"Taz"*

“ I just found out this news. Can't believe I didn't know. We were so close for so long. Life got in the way. I'm so sorry to all of her family and friends. Earth lost a true angel

“ Im so sorry to hear of the passing of Maureen. I had the pleasure of working with her at Kennedy and I always looked forward to talking and most of all laughing with her. She had a knack for making the highest stress situations tolerable either with her wit or wisdom. No nonsense, all heart and lots of humility. I hadn't seen Maureen since I left Stratford in 2012 but I am 100% positive if crossed paths we would pick up right where we left off. There are no words for the loss of someone so beloved at such a young age rxcept the promise of eternity where you will all meet again. Until then my thoughts and prayers are with all of you.

“ Maureen, you probably have no idea what an impact you had on my life. You helped shaped the nurse that I am. You supported me, shaped me into the person I am now. I am forever in your debt. You were my mentor and my role model. I will miss you forever. May our Lord hold you in His arms and bring you peace!! ❤️

“ I pray you are resting in peace, free from pain and suffering. You were so brave and strong and fought so hard every day. Your integrity and grace were like no other. I will always be so proud to have had you walk beside me as my best friend for over 30 years. Ellie and I miss you so much. Rest peacefully in heaven my beautiful friend and I pray angels are surrounding you. I will love you forever.
