“*Dear Amy, you are a new but very cherished friend. Although I never met Maureen I feel compelled to write my thoughts. Maureen was born in February - my birth month. FYI The name "Maureen comes from the Old French meaning "dark-skinned." Quiet and gentle, she keeps her innermost thoughts to herself. She has a good sense of humour.".....*

I share this definition because my name is Maureen. I also lost my beloved brother at 20 years of age to suicide. I will never understand but I do know that my brother is one of many angels watching over me. Please take comfort knowing that Maureen is smiling now and watching over you and all her family. Hugs, Maureen Basnicki, Canada.
