*I just wanted to say that even though I did not know Melanie that well she had a lasting effect on me. The woman was always smiling no matter what she was going through. She treated everyone around her like a buddy never had a bad word to say about anyone. To her beautiful children I like to say that their mother was special and she will truly be missed. It is hard to know that she is not here and not to see that smiling face I will miss her I love you Melanie angel prayers for her husband and children my deepest condolences I know she loved you all very much.*

“ Our family grieves with you with this very sad occasion. I was saying to Donna how can it be so beautiful and sunny outside and something like this happens our hearts are in mourning. It's so hard when a parent has to say good by to one of their children Donna and myself had this experience and a priest said too me whenever a child passes away he or she become s an angel in heaven I'm trying too make sense of this and I'm coming too the conclusion God took Melanie from you at a tender age because he was in need of a guardian angel to watch over the little angels in heaven and we know how loving and caring she was especially too her children..love Mike and Donna Ansaldo
