“ Missy and I grew up together right next door until I moved away. We would talk thru the window and call each other everyday. We cooked in my easy bake oven on snowy days. Sleep overs and talk about boys. She introduced me to my late husband. So many wonderful memories, it truly was a kick to the gut hearing of the loss of this wonderful person who was so kind and loving. We only kept in touch thru face book, I hadn't seen her but I loved her and always will. Prayers to the Family and the friends she touched. You will be truly missed you gained you wings, say hi to David for me sweet sweet Missy. I love you friend. Lisa (One of your besty growing up!)
