“ *Melva Robinson was my grandma. I loved her dearly, and my mom always tells me stories of her, like before she got ill, she used to give me baths in my sink. The day that happened, when I was a baby, she always called me her little angel and I will always be her little angle.*

God bless you grandma 🙏

“ *Rest in peace Mom. You were my Angel. I miss you so very much already, but God had another plan. No more pain and suffering. I had you for 52 wonderful years and I will treasure every single moment we spent together. I will see you again, but for now just knowing you are with God gives me some comfort. I Love You.*

“ To the Family of Mrs. Melva Robinson,

It is with the deepest sympathy to hear of the loss of your dear wife and mother.

Nothing fully prepares us for the loss of those we love. The feeling is overwhelming and leaves us powerless. However, there are many beautiful truths contained in God's Word that provide comfort; one truth is that God will not allow our suffering to go on indefinitely and He does provide comfort abundantly through friends and family. I pray such ones surround you. Please read God's Word daily to truly benefit from his promises.

“ Dear family of Melva Robinson:

I was sorry to hear that you lost your dear wife and mother. Losing someone you love in death is one of the hardest things that anyone will ever have to deal with. I would like to share a Bible thought where it says to, throw all your anxiety on him, because he cares for you. This scripture makes it clear, that no matter what we are facing God is there for us. Please take time to pray during this time. I hope this brief Bible message has brought you a measure of comfort in this difficult time.
