“ *Mike was truly one of the nicest people I ever met. He was someone who really cared and took the time to talk to you. He wasn't afraid to share his opinions and always put on a smile on my face. He will be forever missed.*

“ *Uncle Mickey was a terrific guy. Whenever we were in Philadelphia he always made time for me. I remember going on the cargo ships with him. Everyone knew him at the waterfront, even many ships Captains from all over the world. He was well respected by many. When my Mother passed away, he was such a comfort to us all, especially my children. I admired him and looked up to him. He was a kind soul, but would not step down if pushed. I love you and will always think of your influence on me. Oh and hug Mom for me when you see her.*
