“ It was always such a joy to be with Michael. Growing up I always liked visiting his house and having him visit us in Philly. The golf memories are endless and the Malvern retreats were life changing, I pray that he realizes eternal salvation, something that we all trying to achieve. Love always from your admiring cousin James.

“ *Dear "Little Brother", There are so many stories and moments that I will always treasure, but the two that have and always will have a special place in my heart is the Grandmom Dilly escapade and when we went flower shopping last year and filled the back of my truck with flats and containers of plants and flowers!! We went back to your house and proceeded to plant; you were right next to me helping like you said you would. The flower beds all looked beautiful!! I was so happy how everything turned out. What a fun day, doing one of my favorite things with one of my favorite people!! I am going to miss all the pep talks and advice you shared, I wouldn't be where I am today if it wasn't for you! "Little Brother" I know you are at peace and with Amy so bittersweet, but as you always used to tell me "you are right where you are suppose to be at this time" ,Rest in peace. Love Always your "Big Sister" Kathleen*
