“ *Michael, may you rest in peace! We became such close friends when we were in our teens, and lost contact over the years. My parents had a summer home on the beach in Wildwood Vilas, and you spent a couple of weekends there with me and my family. I'll never forget how nice your dad treated me!*

We used to go riding in my 1956 Ford Convertible, and your dad noticed that the tires on the car were worn, so he told me to take it to get new tires put on it, and he would pay for them. He was afraid we would have an accident with bad tires. I never forgot his generosity, and I played it forward as I grew older by doing the same thing for someone else.

Rest in peace my long lost friend! 😭

“ *Dear Jane and Family,
We were saddened to hear the news of Mike's passing. We had the pleasure of meeting you through my brother Steve and although there were only a few encounters, we enjoyed seeing you both. It was nice scrolling through the photos to see more of Mike's life through your life together. We hope happy times of the past soon fill your hearts and minds turning sad tears into happy ones. You are all in our thoughts and prayers.
With sympathy,

Your dad was an incredibly nice person, easily approachable, greeting everyone with a big smile. We are happy for you that he was always so close and you and your family spent so much time together. You will always have so many great memories of him. Your father has left a tremendous legacy with such great grand kids. Please give all the kids a hug for us. All our love to you & Tom.*
