“ *Missing you every day mikey! I know you are at peace, with your parents and brothers and seeing the world like you haven't seen it in years...you will forever be in my heart and in my mind. You have taught me the true meaning of life and how to live it even when you could no longer see it or hear it. ..I wish I did more in your final days here....but I rest comfortably knowing I got to say goodbye just hours before you departed, our last embrace will be a memory etched in my soul forever. ...until we meet again my dear friend...*
