“ Mike was one of a kind with a sharp sense of humor and endless stories. We have been remembering Mike stories all week and laughing until we cried. He wasn't afraid to say exactly what was on his mind, and would come out with amazing one-liners with the best smirk and smile. He was a beloved cousin who we'll truly miss. Tom, thank you for bringing Mike into our family, we love you both. ~

“ I have been friends with Michael and Tom for a very long time. I didn't get to see them much in my older years but they were always in my heart. I met Mike Through my best friend, Tom, and they were a match made in heaven. Mike was an extraordinary man with a unforgettable sense of humor. I remember laughing so hard my sides hurt. He was one of a kind. Loving, generous and funny beyond words. He will be missed. I would like to express my sincere condolences to Mikes family and friends. I am so sorry for your loss.

“ You were my baseball phone call buddy. Watching the Phillies isn't going to be quite as much fun now. I'll miss our non baseball conversations too. You had a flair for making people laugh with your very colorful stories. I'm glad you're no longer in pain and with your mother again. Michael you will be thought of often and missed. Sincerely,
