

## Michael M. Willett

July 15, 1958 - March 1, 2021

Michael M. Willett passed away peacefully on Monday, March 1, 2021 at his residence in Maple Shade with his wife by his side. Michael fought a courageous battle with cancer for the last several months. Born in Riverside, NJ to William and Marion Willett, Mike was 62 years old. Raised in Clayton, NJ and lived in Maple Shade for the last 27 years.

Loving and devoted husband of 23 Years to Lisa (nee Poleshuck)  
Also surviving is son Zachary Willett, brothers and sisters William (Gail) Willett, Joyce (the late Ed) Gallon, Betty (the late Dave) Witherow, Butch (Sue) Haines. Sister-in-law Janet (Sean) Eaby and Brother-in-law Terry Poleshuck. Loved by many aunts, uncles, cousins, nieces and nephews. Mike is predeceased by his siblings; Jack and Sandra.

Mike was employed as the maintenance manager for Total Transportation/MAT Bus Corporation in Philadelphia for the last 10 years. Mike was very dedicated to his job and loved what he did. He was a friend to many there.

Mike was a man who was liked by all who meet him. He had a heart of gold and was always there to help you out. He especially loved to spend time with his nephews Nicholas and Dominic and his niece Elena. He loved spending the weekends at Aunt Diane and Uncle Franks pool with the kids and sitting

on the beach in Sea Isle City. As a husband, he went beyond the title. The love he gave showed in everything he did. He loved to watch Sunday football and NASCAR with our dog Lola next to him. The world lost an amazing, loving, and caring man but heaven gained a beautiful angel. He may be gone but he will never be forgotten. He will be missed dearly by so many.

Mike was a member of Asbury United Methodist Church in Cinnaminson.

A celebration of life will be held at a future date.

“ *Mike was always very professional with me every time I walked in unannounced to his facility at Mat Bus (Total Transportation). He would always ask me to sit down and we just talked about family and work. He really had a zest for life and I had a positive outlook on life when our visit was over. My condolences to Mike's family.*

“ *Mike was kind person who never had a bad word to say about anybody. I can't say I have ever met another person as even-tempered and reliable as Mike. I am still in shock that he is gone and will miss the many day trips Mike, Lisa, Janet and I went on. Mike, if you are looking down on all of us now just know that you will always be loved by the people you touched with your kindness in life and just being you through and through. You would do anything for anybody in need without question.....your character was always genuine and know that you will be missed. -Sean E.*

Ed and I loved Mike so very much. He was funny , kind, good hearted and loved by many others also. We always loved seeing Mike and Lisa bantering back and forth and always making us laugh. What a joy to know him and love him as a friend. He is in the arms of Jesus and totally out of pain. Lisa is blessed to have so many family and friends to help her with her grief and loss. God be with her always. Love Betti and Ed

*We do not know why things happen. We never will. What we do know is the pain that we are left with. This pain lingers and forever stays. It is from the loss of someone loved so much, who left a deep imprint on our hearts. Mike did just that to so many. This imprint, along with countless great memories will be carried by many forever.*

*I am fortunate to have so many memories of Mike. Lisa, Mike, Sean and I shared countless adventures together. If you could only see the look on Mike's face when I would remind him( a million times) of our yearly Lancaster trip as my birthday would approach. He never cared about how long my sister, Sean and I shopped in each store or how many we visited. That was Mike. I'll always remember him saying "REPEAT" to me after saying the same thing again and again. He would also roll his eyes when I would tell him I was the greatest sister-in-law in the world. However, sometimes memories do not justify the absence of seeing. But, we have no choice. It is what we are left with. Our hearts will never be the same.*

*Mike, you were more than a "brother-in-law" to me. You were my brother. I will miss you more than words can justify. Please look after Lisa. If it is even possible to mend a broken heart, mend hers. Till we all meet again in the world you are a part of now. Godspeed.*
