

Michelle Cooper

August 10, 1969 - February 8, 2021

Celebration of Life

Michelle Romain Cooper is the proud mother of Jermaine, wife of George, daughter of Donald and Meena, sister of Melinda, Merena, Petrina & Donna, aunt of Marcellus, Miesha, Mariessa, Joel, & Sadie, sister-in-law of Fenrick, a niece, a cousin and a wonderful friend to many.

Michelle was born on August 10th, 1969 in Georgetown, Guyana. She had many passions that she liked to explore, some of them included: her love for cooking, listening to music, dancing, going on family vacations and her ever growing desire to dedicate what she always considered valuable time socializing with friends and family. Some of her dreams were to walk with her son down the aisle, spend quality time with her grandkids, attend the graduations & weddings of the kids that she nurtured and loved dearly; Shayla, Isaiah, Coco, Zach, Grey, Elliott, Barnes, Wolfe, India & Wilder, to go on many more vacations and to have a big home for her relatives and friends to gather. She had a great appreciation to all who were a part of this journey with her.

Michelle welcomed anyone who visited their home with open arms. She was always enthusiastic to share a meal and conversation with her family and friends. She loved to bring people together in love and unity; she did this by initiating many family gatherings. She was always jovial, and never failed to greet anyone with a smile on her beautiful face. Michelle had a pleasant aura to her, everyone who had the pleasure of meeting her, felt drawn to her.

Thank you, Michelle, for brightening our hearts and our lives with your smile and your laughter. Michelle, you accomplished the mission that the Lord set forth for you. You brought unity to our family and many to Christ. You will live on in our hearts forever. You have received your wing, so fly Michelle, fly, as your legacy lives on. Dance and rejoice with the angels in heaven as you look down upon us. WE WILL ALWAYS LOVE YOU!

“ It is with great difficulty I had to say farewell to one of the most beautiful persons I've come to know: Michelle Carter Cooper. First, I would like to address her loved ones she left behind, her parents, Mr and Mrs Carter, husband, George, son, Jermaine, sisters Melinda and Murray, not forgetting all her nieces, nephew, and extended family. May God continue strengthening and covering you during this most difficult time...

Oh, how the years go by; We've been around each other for many years. We are friends, but lived and loved each other more like family. We shared many sad and happy times together. I didn't have too much one on one conversations with Mitchell, but, we've met up on several occasions at family gatherings and once at the Guyanese picnic in Delaware. Michelle would often times send little inspirational messages and birthday wishes via phone. She was a very fun warm welcoming person to be around... Never a dull moment. Never a dull moment having any one of the sisters around... Oo la la 😊. Its been years since we've met up for gatherings. I was hoping maybe we can just for Ole time sake, after this situation we are all impacted by. But sadly, time did not permit us to do so. Michelle had to leave and go home with the Lord. But... I will cherish the time spent with her during her time on mother earth. RIP Michelle. May God keep you safe in his loving arms.... 🙏🙏❤️

“ MC was an unconditional friend every moment I've been able to experience with her. Every moment enjoyed with Michelle was experienced with smiles, laughs, happiness, and to share experiences where we've both learned from each other and together. “ Michelle:

May the songs of the angels bear you home, and may you touch the face of God.

To each one of the family, you will hear Michelle in the whispers of a breeze...her eyes in the stars on a starlit night... her strength and courage in every tree that stands... her name carved on your heart for eternity. She will always be a part of you, and everything you do. May the love you have shared with her and every memory of her be a part of the context of your life.

We share your grief, and hope your faith, the support of your friends and family and God's eternal love comforts you.

“ In 2008 my life changed forever. I became a mother for the first time and I was introduced by my friend Amanda to MICHELLE COOPER. The moment I met “MC” I knew that I would know her for life. She was loving and nurturing, gentle and knowledgeable and above all I knew in a second that I wanted her to be the person that my newborn son had with him everyday as I went back to work. MC was a friend, she was a co-parent and she was the most important person in my son Grey’s life. He regarded her a his other Mom, she taught him her own unique style of generosity, she empowered him to be the confident and articulate child that he is today and she encouraged him endlessly to learn and be curious. As I look at my son now and MC and George’s son Jermaine I am so thankful that the boys both had this incredible maternal figure in their lives. Grey has his “older brother” Jermaine and in turn, I hope that Jermaine will know he has a loving maternal figure in me. MC went onto take care of my other two children. Elliott Grace and Barnes. I would never of had the luxury of being the mother of three that I was able to be if I didn’t have MC in our lives. She helped them grow from babies to children and they each loved her with all of their hearts. We left for California and I introduced her to my friend Meredith. The journey of MC’s incredible talents continued and we were far away but missed her every day. I would see MC when I came to NYC and we would both cry when we said goodbye. I loved her so much. MC’s special love is in each of my children and I’m reminded every day what a blessing it was to have MC on this earth. Our hearts are broken in losing her. I know that her husband and son feel the loss most deeply, but their grief and sorrow is always supported by The Miller Family. The incomparable and beautiful MC united us all nearly thirteen years ago and the legacy of her continues in her own Cooper Family - we will forever be one. God bless MC, may she rest in eternal peace.
