“ *We have lost a strong and beautiful person. My brother in law was one of the kindest people I have ever met. He was a wonderful father, grandfather, great grand father, and best known to me, a wonderful brother to my husband and brother in law to me. He was always there to lend a hand without ever expecting anything in return. I have such fond memories of our trips to Las Vegas together with both he and his beautiful wife, Gloria. I know that they are together once again and I can only imagine just how wonderful that reunion must be. I will never forget you Bill and I hope that you know what a positive impact you had in this world, and particularly on your family. Love you <3 <3 <3*

“ *Dear Kim and family I am so sorry for your loss. I have many memories of your Dad and Mom, they were wonderful people-they could always make me laugh. A funny memory I have of your Dad : We were at the senior citizen Christmas Party. I heard some kind of disturbance in the hallway and who comes out into the room-your Dad (Santa) and my Dad (his elf). The two of them had us all laughing with their antics as they passed out the gifts*

Dear Kim and family, your Mom and Dad were great friends to us. We had many a good laugh and traveled many places together. Our trip to Hawaii was one to remember, your Mom and I were the first ones in line to sign up as we both knew the guys would shoot us if we missed out on the trip, we had so many trips together through the senior club. I will miss them both. Even our rides to the casino were always a laugh or two. They were great friends and I know they are together again, looking down on us and telling us to laugh just like we used to. Thoughts and prayers go out to all of you, love
