“ *My memories with Nancy go back to childhood. She was always at our house or we at hers. Christmas, birthdays...then there were the years we were always together. I worked with her at my first job, I was in her wedding and she was a part of mine. We were there for each other when our sons were born. We didn't see as much of each other in the recent years as we each had demands but we knew we'd pick up the phone and be right back to where we left off. She was more like family than friend. I will miss her until we are all reunited one day.*

The Zimmer and the Caruso family sends its love and prayers to everyone.

“ *Our heart is in shock and broken to hear of Nancy's passing. Nancy introduced the two of us and later was the maid of honor at our wedding. We lost touch over the years and try as we may, could not find her, until reading of her passing on line. She was such a good, loving person. We are so sorry that we didn't or won't get to see her one more time. Rest in peace our friend. Debbie and Bud Michalik*
