“ *I met Nancy in the sixth grade of Sacred Heart School in Riverton. Nancy would walk to my house in Cinnaminson to play Badminton on the front lawn, or to walk to the Mainline Shopping Center. I recall Nancy going with me to the main branch of the Philadelphia Library to do research for a paper for Holy Cross High School. We raised our families and Nancy would visit our house frequently.while we lived in Medford. We lost touch many years ago. Nancy was a friend, I'm happy to have the memories.*
