

## Ned Ringwood

July 12, 1990 - January 30, 2018

Ned Ringwood, a resident of Moorestown, passed away on January 30th after a valiant struggle with addiction. He was 27 years old.

Ned graduated from Moorestown High School, Class of 2009, before attending Boston University. He lived and worked in Philadelphia, the city he loved, for 6 years after Boston, as well as time recently spent back in Moorestown.

An adoring fan of local music in Philadelphia, he was himself a passionate musician with a special love of guitar, mandolin, and banjo. Happiness was playing music with his brother David, biking through his favorite Philadelphia neighborhoods, including Clark Park, vacation time with family in the Outer Banks where he loved surfing, and reading his favorite authors. Ned was a gentle, caring soul with a philosophical nature. His intense love of animals led him to care for numerous stray Philadelphia cats and ultimately adopting one as his own.

Smart, inquisitive, fun-loving with the warmest smile and biggest hug, Ned loved with his whole heart. Ned leaves behind his adoring family. Jack and Ceecy's cherished son leaves behind his twin brother David (wife Kate), and his younger brother Ben. He is also survived by his adoring grandmother, Jane Miller Acaster, and many aunts, uncles, cousins, and friends who will miss him dearly. Life will not be the same for any of us since he lost his battle. We invite relatives and friends to attend Ned's memorial gathering at Givnish of Marlton, 398 E. Main Street, on Saturday, February 10, from 10 am to 12

pm. A memorial service will begin at 12 pm. In lieu of flowers, donations in Ned's memory may be made to the Pennsylvania SPCA, [www.pspca.org](http://www.pspca.org).

“ I am genuinely sorry for your loss. I know what it's like to lose your child, especially when he brought so much joy to your lives and had so much potential until the grasp of addiction stole the spirit which shined so brightly. I was looking for the obituary of a friend's mother when I saw this young man who looks and sounds so much like my son, Daniel, who I lost to Heroin. He was the last person you would ever think would go down that path. A period of depression and one awful 'friend' was all it took. It would have been Daniel's 37th birthday today but he only made it to 31. He truly was the brightest light in my life and he left behind family and many friends whose lives he enriched.

My heart aches for you, his loved ones. If I can help in any way, please don't hesitate to contact me: 609-933-8314. My deepest sympathy, Daniel's Mom. There is no greater loss than that of a child. I'm so sorry.

“ I know I haven't seen Ned in the better part of a decade, but I've never forgotten him or the fun times we had as kids. Whether it was playing video games, or basketball, or skateboarding (mostly taking fakey pics) or just hanging out we all always had a ball. I'll never ever forget Ned and all the great times we had together.

Love always,

Alex
