“ Please accept our deepest condolences. Pat was very fortunate to have enjoyed devoted attention from her family throughout her life and at the end. She was proud that her children continued to carry on Jim's work and interests, and lived long enough to witness all that they had accomplished. She remained a beauty all of her days, as is evident from your choice of photographs. A life well-lived. May she rest in peace.

Sincerely,

Ann Chahbandour & Jay Robert Stiefel
