I truly enjoyed this video. Pat and I have been friends since we were both 13 and have kept in touch all these years. I always found Pat to be sweet, gracious and brave. Whatever came her way in life she handled it with dignity and grace. I will miss her terribly. My sympathies to her family whom she adored so much.

“ *What a kind and gentle person was Pat. I recall on a back porch among the Red Hat girls with much laughter and girl talk going on. Pat and I were aside a bit and the two of us were sharing deep things and enjoying each other so very much. Sharing stories, tears and fears, yet talk of our hope abounded and left us with more joy than sorrow. An instant bond with a lovely person who was an encouragement to everyone else because of her readily available honesty and openness. Thankful for her eternal rest. Peace to all of the family. “ Patsy was my big sister. She will be truly missed. I will always think of her and my brother Mickey when I hear music from the 60's. When I was young used to always say I can't wait to get bigger like my sister. It was cool to have a big sister who could drive! She used to treat me and take me to Ginos! She also bought me my first fishnet stockings! Now she is in heaven with my brother Mickey and my parents. They are probably having a good time up there and watching over me.

“ My sincere condolences to Michael, Joey, Brett, Renee and all of Pat's family. Pat has been my BFF for over fifty-five (55) years. She was my rock ! We met through a mutual friend. We started parading our cars around Big Boys in Philly, dating many handsome guys, Night clubbing and dancing in Wildwood, NJ and the 400 Club in Philly. We also have been through marriages, birth of children, divorces, jobs, etc. Pat always had something nice to say about everyone. In all that time, Never once did we have any negativity between us. I already miss Pat soooo much. I agree with my brother, Matt, who said she is the nicest person he has ever met.
