“ Pat was my "sister" and "partner in crime" for many years, many years ago. Her family was my family. I have so many happy memories that I can't narrow it down to one. She was a childhood friend, a teenage confidante, a beautiful wife and mother who I always enjoyed catching up with when I went home. Pat, you'll be in my heart and mind forever..I love you and we'll catch up with each other again, someday. Peace my dear friend.
