“ Dear Kevin and family, We are so sorry to hear of Pat's passing. Our deepest condolences. Pat was one of my first Home & School friends. She made me feel welcomed and included. But that's the way Pat was. Friendly, warm and caring. She loved her family and always gave 150% to everything she did. She was so creative and could turn the ugliest piece of furniture into a beauty! Everything she touched, she made better. Pat left us too soon. She will be missed, but never forgotten. May God comfort you during this difficult time. God Bless.
