“ *Pat was such an inspirational and upbeat coach and fellow player in our South Jersey Senior Softball League that I really enjoyed playing with him. I was looking forward to him coming back to play this season after he had to miss parts of the past few seasons with injuries and medical procedures.*

Rest in peace, Pat, and my sincerest condolences to his family. We miss him already.

“ *Jen, Pat, Mrs Flynn*

I'm so sorry for your loss...Pat was a good man....while I hadn't seen him in a long time, my connection with him through the years was through our fantasy football league. We use to go back and forth on the message board taking shots at each other's team. He was always a good sport about it and fun to tease. I'm going to miss him.

Stay strong and be there for each other. I lost my Dad two years ago so I know your pain. It's not easy but rest assured he is now in a better place. God Bless!

“ Mrs. Flynn, Pat and Jennifer,
Mr. Flynn will be greatly missed but never forgotten! I have a lot of great memories spending time with you guys and Mr Flynn was always trying to challenge Pat and I to get better at whatever we were doing, except when we weren't doing the right thing. He was fun to be around and he always wore that smile. Some of the greatest memories of my life are from the years playing on the Demons. Mr. Robb, Mr. Flynn and my father made a great coaching combination but I believe all the demons will say that on game days it was Mr. Flynn that we remember. He was the one giving the motivational speeches, leading chants and doing anything to make us believe that we were the best and we bought in because he believed in us. He was the heart and soul. The Demons are a family and always will be a family no matter where we all live. If you need one or all of us we would be there. That in itself is what made the Demons special and Mr. Flynn was a huge part of that. Mr. Flynn will always be in our hearts and will live on forever through the stories of him that will be shared by everyone that was blessed to have known him.

“ *Mrs. Flynn, Jen, and Pat,*
Mr. Flynn was one of a kind! He was always trying to teach me something! Even up to about four years ago when we were playing softball together it was always a lesson to be learned on the field or on the bench. Somehow he always managed to make me smile with his smirky grin and backhanded compliments. My heart aches for all of you.

“ *Doris, Jennifer, and Patrick,
Pat will be sorely missed! We never knew when the boys started playing soccer all those years ago that we would make lifelong friends. We will never forget all of the fun that we had together, with the 15 car caravan, traveling across the state to all of our tournaments. Our thoughts and prayers are with your entire family.

“ *I had the good fortune of playing soccer for the Marlton Demons for most of my youth. Mr. Flynn was one of our coaches and his primary role was to get the team motivated before each game. All these years later, I still remember some of his pre-game speeches (his speeches were intense!). Our team won multiple New Jersey state championships, however what is most special about that team is that of the life long friendships continue to thrive to this day. None of that would have been possible without the dedication of time, money, and spirit that Mr. Flynn provided to us. I am extremely grateful to have considered him a mentor. Always quick with a smile. That is how I will remember him.*

“ Pat and I were long-time friends, originating during our epic bowling battles at the Playdrome in Cherry Hill, NJ (now The Great Event). We also shared an occasional round of golf together. I was so looking forward to his return to bowling after he suffered a few physical setbacks. His contagious smile and upbeat attitude toward life will be greatly missed. He will be in my prayers forever.

“ *I was proud to know Pat for roughly 10 years. We bowled and
competed against each other at Playdrome Cherry Hill but we
always kept it friendly. He would see to it that he located me at least
once throughout the evening to talk about anything and everything.*

*Having growing up the majority of my life without a Father, Pat was
able to help fill that void with the lessons he bestowed upon me.
Both of us being UPS men, he consoled me how to be the most
successful employee and person I could be.*

*I'm pretty close with Pat the younger and I can vouch that the apple
didn't fall far from the tree when it comes to his likeability and
determination. God bless his family during this tough time.
Celebrate the impact he had on this world and know he left it a
better place.*

“ Doris, Jen and little pat, There are absolutely no words to say to ease your terrible loss. Your husband/dad was one of a kind. He was a wonderful gentle man that I was lucky enough to know. I loved our times together at the weenie roasts and Christmas carol parties and will forever cherish those memories. Still can't believe this. Love you all and will always miss you "Big Pat". “ About eight or nine years ago while staying with my son and his wife I wanted to go to NJ and hear Doris sing at her Christmas Cantata sp my sweet brother Pat drove from Marlton NJ to Souderton PA to pick me up. Take me to the Cantata and then drive me home Of course I fed him my spaghetti and meatballs as a thankyou. That is love
He loved his wife and was so proud of her singing. And he loved me enough to sacrifice his time to pick me up
I will miss my brother so much
I will miss his loud deep voice
I will miss his phone calls
I will miss his sparkling smile
I will miss that look he gives when he disagrees or thinks you are wrong
I miss just knowing he is there

We are all shocked and heartbroken. I know Doris, Jen, Pat, Sophia, Dom, and all your family is Shocked, and Heartbroken Too. Pat always told me what a great, and beautiful wife he had. That is so true. He was a lucky guy, and Doris you were just as Lucky to have him. Pat always told me " I'm here if you need me for anything"! And he meant it. I will miss his up lifting talks, kind Words and him telling me he prayed for me in church every week that I would find someone to balance out my life. I've lost a bit of my security not having you Pat to call in case I did need you. Doris I Can imagine your grief. Pat was one special man.💙

Pat's passing has created a huge void for myself, a teammate of his on the Rosewood Team .The void spills over to everyone of Pat's teammates and his competitors that truly will never be filled again. What a jokester and on the same note, what a human being. On behalf of Pat's family, please understand that many, many people who aren't capable of expressing their feelings pray for the strength of your family to hold strong . Pat, rest in peace and try to work me into your lineup when the time comes. Mason Buckley (Buck)
