“ Was lucky to have met Uncle Pat many years ago I think around 1993. My girlfriend Eileen took me up there to meet her family before we got married. Once I met him I knew why my wife loved him so much. First thing I noticed is his love for his family and he made me feel part of the family real quick. Over the years we would talk every Friday night for hours laughing on both sides. He would give me a hard time cause my teams were the Braves and the Panthers and his were the eagles and the Phillies So we both had plenty to say about each other's teams. I am going to miss the talks we had but know hes in a better place and look forward to talking to him again. Rest easy Uncle Pat we love you and miss you do very much.

Your Bobby and Eileen.
