

Paul M Valles

November 13, 1942 - May 15, 2020

Paul Jean-Marie Benoni Jizerel Marcel Valles, of Willingboro, passed away peacefully on Friday, May 15, 2020 with his family by his side. He was 77. Born in Port-au-Prince, Haiti to the late Marcel and Leonie Valles (nee Oscar) on November 13, 1942.

During his formative years in Port-au-Prince Haiti, young Paul attended College Bird, Petit College St. Martial, Lycée Petion and was an avid ping pong player.

In 1963, he immigrated to the United States and resided in Brooklyn, New York with his host family Pastor Ludovic St. Phard and his wife Emma St. Phard (nee Oscar). Paul landed his first job in the US working at Howard Hospital in Long Island while attending Brooklyn Community College. He was also employed by the National Council of Churches while attending school majoring in computer programming. He received his big break in computer programming when he was hired by Hoffman LaRoche, where he was employed there for 33 years.

Paul was a member First Haitian Baptist Church located at Hanson Place,

where he was a member of the choir and the church treasurer. While attending church in 1965, Paul had no idea that his future bride, Lucienne Thomas was in front of the choir singing soprano and he was behind her singing tenor.

On January 29, 1966, Paul was united in Holy Matrimony to the love of his life, Lucienne Thomas. He was also a dedicated father to his three children, Paul Jr., Primerose and Yves Richard.

Paul later moved his family to Willingboro, New Jersey after Hoffman LaRoche moved their operations here from Brooklyn. Upon settling in New Jersey, Paul attended Thomas Edison College where he earned an Associate's degree. He was known as "Papi Paulo" to his immediate family and "Uncle Paul" to the rest of the world.

Paul and his family were faithful, loyal and devoted members of Haitian Baptist Church of Willingboro, where he served and held the title, Trustee. Paul wore so many hats and set the groundwork for so many. He was available to all who needed him, from presiding over the food pantry to overseeing the Church. He was so appreciated for the services and the knowledge he provided to others; he was given the name the "Mayor of the United States". Regardless of how much time he spent helping others, he always had time for his family.

In January, 2005, Paul received an "Award of Appreciation" for his outstanding service and dedication in the construction of the New Haitian Baptist Church of Willingboro Fellowship Hall. In November 2012, Paul was presented with an

award for his Outstanding Contribution in the construction of the Church Mezzanine.

He leaves treasured memories with his dedicated wife of 54 years, Lucienne Valles; he was a devoted father to his three children, Paul Marcel Valles, Jr., (Pamela) of Sicklerville, NJ; Primerose Valles of Willingboro, NJ; and Yves Richard Valles (Darrita) of Warner Robbins, GA; two sisters, Alzire Gustave (Emmanuel) of Port-au-Prince, Haiti ; Bernadette Verdieu (Fritz) of Opopka, Florida; and one brother, Hugues Noel (Raymonde) of Brooklyn, NY; two sisters-in-law, Raymonde Noel (Hugues) of Brooklyn, NY and Nicole Archer of Mullica Hill, NJ; he was a beloved grandfather to Andre Valles, (Sherrie) of Williamstown, NJ, Hakeem Valles of Ofallon, MO, Max Valles of Sicklerville, NJ, Dream Valles and Kingston Valles both of Warner Robbins, GA; great-grandfather to Victoria, Jolina, Andre', Jr., Nia and Lucienne, and a host of nieces, nephews, relatives and friends.

Rest In Peace Uncle, it was nice meeting you. 23 years ago when I first came to America, you use to always come to Boston to see my mom. I went to New Jersey a couple times for Thanksgiving dinner. I'm deeply sorry because of coronavirus we cannot make it. Thanks to technology I was able to watch all the funerals from Bernadette Verdieu and Fabienne Paulin

“ hello valles family i am so sorry to hear this news. i knew your father for i dont remember but i worked with your dad when he worked for lab core. many years ago. when i went to hospital during transplant i had to dress in a bubble suit for infection your dad would call me every so often then we lost contact so this is me reaching out. our greeting was because of his heavy accent was ah low when he was passing thru we would meet up. we worked for labcore then transfered to roche in nutley . when i first met your dad in labcore he was my supervisor which ment what your dad wanted i did. here is the kick i could not understand him heavy accent i was in trouble. so i devised a scheme i pretened i was having hearing problems so i could write his request on paper only to have him repeat instructions. after i while we had no problem communicating we had a good laugh when i told him. lots of memories, sorry for the bad name but how is his and my friend doing este she was going to nursing school always asked about her. thank you valles family will miss his calls god bless you my friend. ah low

“ I first met Mr. Valles and his family in 1990 ish. What an impression he left. The family was famous for its barbeques and haitian Cuisine. His son took a test three times to join an elite group. You could see that determination ran deep in the family. And it started with Mr. Valles. A true legend remembered by my family. My condolences to the Valles Family,

“ This past few days have been difficult, this loss is heavy for me and I'm sure for our church community as well. Paul was a father figure for me and a friend. I remember when I met Paul some 20-25 years ago when he had bone marrow transplant done. He needed to get Epogen injections on a daily bases. His wife Lucienne called and asked me. I used to go to his house in the beginning and when he started to feel better he came to my house every Monday to Friday for his shot until his doctor took him off.

Paul, Frere Paul became best buddies with my husband Raynald and he was part of the family. I have so many memories of Paul, the good-hearted person he was, always lending a helping hand.

Frere Paul would never refused his service to anybody,even when he was sick he did not know the word "No" Lucienne and I had to take his phone away from him while he was in the hospital. I remember riding in the car with Frere Paul his phone must have rang one hundred times no exaggerations.

Frere Paul had touched many lives, we used to tell him if he ran for office he would win. He knew everybody. He did so much good not only for our church community but for others. It didn't matter who you were or what it was Frere Paul was always there to lend a hand. He was kind, loving I will miss you Paul.

“ Laurent et Carline Valles

My brother Laurent and myself were very blessed to live with Uncle Paul and the family when we moved from Haiti. We both graduated High School in Willingboro, NJ then we went to college because our uncle took our education very seriously. He would have a family meeting every Sunday with all of us. He was a very selfless, caring and loving uncle. We love you Mon Oncle Paul. You will forever live in our heart.
