“ Paula was a childhood friend of mine in Springhouse. She was a year ahead of me in school. I used to wait at the end of her driveway for the bus to drop her off so we could play catch in her big backyard. She taught me how to write my name. I wrote it on the neighbors house in the grout of the brick. I am guessing it's still there

She taught me how to make a bed correctly. We rode bikes, played with dolls and hula hooped. It was our job to climb the cherry trees and get the cherries for her Mom to bake pies. Yes, I have many good memories of Paula and her family. Thank you for those memories, Paula.

I met Paula back in the seventies through our mothers who were good friends. We taught ourselves to hit tennis groundstrokes by hitting thousands of balls against the playground wall at Wissahickon HS. and remained friends until distance separated us. I am so sad to hear of Paula's passing and I will always cherish the time we enjoyed together. My sincere condolences go out to her family. Janet Andrew Kimball, Naples, Florida

“ *So sorry to hear of Paula's passing. Paula was a very close friend of mine at Shippensburg University. She really was alot of fun!! After living in the dorm for 3 years, there were 7 of us that lived in an apartment for our senior year! Those were tight quarters, but again, boy did we have the time of our lives! Well, God Bless, Paula and I'm very sure you're making everyone laugh in heaven!!*
