It's a sad feeling inside when a childhood friend passes away, you immediately think of all of the things that you've almost forgotten, like events and music and just anything.

Peter and his family moved to our Cinnaminson neighborhood in I want to say spring of 1983 from Ireland, I know his family and friends over there missed them when they came to New Jersey but we all embraced them and Peter and his sister Natalie fit right in with us kids at the time. We all became close friends and did a lot of laughing and just enjoying being young teenagers listening to music, going to the malls, when you watch those old 80's teen movies, that was us, we were no different. Mr & Mrs Mallett were very nice folks I enjoyed just hanging over at their house laughing and talking. I have wonderful memories of Peter, he had a great sense of humor could be biting and sarcastic at times but with him you knew where he stood. His sister, mom and dad were so nice. I still have a wooden sign of my name he made for me in HS Wood shop class that and a picture of me dressed as a hippie where he scratched "Hippies are Cool" I will continue to treasure that and all the memories from our youth. My condolences to his family and friends. RIP Peter until we meet up and laugh again.

“ *My prayers and thoughts to The Mallett family. Peter and I were attached at the hip for all of high school. The Malletts made their home a second home for me and Peter and our close knit group of friends had enjoyed years of laughter mostly spearheaded by Peter. I could write volumes about our adventures and laugh just thinking of the endless stories. I am thinking of all Peter's family and friends. The world just got an awful lot quieter. Rest in peace dear friend..but one thing before I go. I suppose I finally have to forgive you for convincing me to get that hideous haircut in 10th grade. I know you know which one!*

“ *I am so sorry to hear about Peter. Peter was a friend from high school. I have such fond memories of the fun times we had, especially at the shore house in Ocean City. Peter always lit up the room with his humor and wit. My deepest condolences to his family.*

“ I first met Pete while we both were pledging the same fraternity at the University of Delaware. We instantaneously became friends as his humor, passion for fun and life shined through. Over the years, he shared so many wonderful stories about his kids and family. I wish you all peace, comfort and loving memories!
