“ *Oh Rachel..... I just came upon seeing that you've left this world way too soon. What happened???*
I never stopped loving you, and there was always a place in my heart for you. I know you had a gracious soul, and you were always a good hearted person. I was checking to see how you were, and this is the last thing I was expecting to find out. I'll always remember you and keep a special place for you in my heart. 💕😞
