“ *Aunti Rachel, I'm so sad to learn of your death. I will deeply miss exchanging cards and letters with you after a lifetime of doing so. It's hard to believe I won't receive another one of your letters covered with many different stamps from random decades. Knowing you're with uncle Kenny and my mom now gives me lots of comfort though. I love you so very much. Alison*

“ *I am truly sorry for your loss and wish I could help ease the pain. I am here for everyone and love you all. She was a great woman who gave me a bit of information on life and had a few great things to tell me. My thoughts and prayers go out to the family*
