I Was Loved, Therefore I Am

I was always loved.
I was loved therefore I am,
And in being loved I learned to love.
In the sun filled day,
In the ecstasy of the night,
I was loved and loved others.
To be loved is all you need:
I was loved....and so, I will always be.

“ This saddens our family greatly to hear of Raymond’s passing. Our children grew up and played sports together all throughout middle school. Margaret and I would often sit together and compare notes of what our children were up to or just laugh out loud about life situations. Raymond was that sweet mischievous looking red headed boy you loved immediately. Our hearts are with the family knowing all too well the sadness of losing a child. The Messina Family. 💔
