“ *Ray: I just learned what happened. You were one of the kindest, caring people I've ever known. Nothing I could write will come close to describing how much you will be missed and how much you are loved by many people. I hope to see you again one day.*

“ Ray, I will always remember you. Even though we didn't see each other the way we used to for the last several years I never stopped calling you "friend". I have so many memories, from golfing with you to you standing in the rain helping me with my car when I was stuck in Roxborough with the kids. Every Sunday you being there at our house for breakfast. One of my fondest memories is having you and your parents for thanksgiving (even though you ruined my turkey) The kindness you always showed to my kids, your fondness for picking on Jennie. Most of all the talk you had with me when we fist met about me being good to your friend Michael, and you telling me I was what he needed. There are just so many times that cross my mind, I could go on and on. I will never forget your smile or your laugh. Rest In Peace Ray, you will be dearly missed.

“ Dear Jacqui - I have no words to express my sorrow but these. You, Brianna and your mom and dad are in my thoughts and prayers. I've known you since you were a baby, like another little sister, and I know the love and care you've always shown others will return to you and surround you when you need it most. Ray will be remembered by you and Brianna, and by the whole community in the school fund you have begun. I am so deeply sorry, though. Jim and I have you all very much in our thoughts. With love, from Donnie

“ I did not know Ray very well. We did have some brief conversations at our AOH meetings and from what I gathered he seemed to be a very genuine guy. We both have daughters the same age so all of this really hits home pretty hard. I remember seeing Ray helping out with the Cinnaminson girls basketball clinic. Anyone who chooses to spend their Saturday mornings with their daughter and 40 other screaming 7 & 8 year old girls gets the "good-guy" nod from me. Ray will be in our prayers along with his wife and little girl.

“ Ray I will surely miss u my friend. Ray I liked u from the first day I met u witch is about 4 years ago. Funny,smart,helping someone when they where in need. Ray I would not be going to school today if it was not for u letting me borrowing the money from u. And of corse I paid it back. Ray I still can not believe ur gone. Remember ur gone but to forgotten. You will always be in my heart and my guarding angel. RIP uncle ray.
