“ *We have gotten to know Jean quite well the last few years! We just loved her positive, always fun, upbeat attitude! We have never seen her without a smile on her face and no matter what, could tell how much she and Joe truly loved each other! The dock and summer will never be the same without her! We will miss that beautiful, smiling face! We love you so much Jean! RIP our friend... The Baum Family, Scott, Shelly, Scotty and Shalyn*

“ To Jean's family, you are in my thoughts and prayers. Jean will be missed by all. I too, am a fellow worker from SWEMCO. My mom battled lung cancer from Novemer 2013 until she passed on Christmas morning last year. Jean always asked " how's mom". And she always offered a prayer for her and said she would light a candle for her. We shared a few hugs and tears when my mom passed. I told her that now it was my turn to pray for her. I will miss her Jeanism's has I call them. God bless you Jean and say hi to mom for me.

“ I worked with Jean at Swemco. She was not just a fellow employee, but a friend. I will miss her. Something that I will remember is that she cared. My sister passed away one year ago on Christmas of cancer. Through the years that my sister fought, Jean always asked me how she was doing. That meant so much to me. I share your grief. It is so difficult to lose someone you love. The last time I saw her at work, she came over to me and I asked "well." She told me that it didn't look good. We talked and before she left, I gave her a hug. I will remember her smile.
