“ When my sister and I were young (10-14 yrs old) we used to love to watch Regina get ready for a date. it was a mystery how she changed from our "Old cousin" to a beautiful woman. Loved to watch her put on her makeup and dress for her date. Then her Mom (My Aunt May) would check her out to be sure she didn't have too much makeup on, or her dress too short. - We would embarrass her if she was with a boy on the Boardwalk by running up to her saying "(Mommy we want to go home)". She would take us for rides on the Boardwalk and to scary movies. We were thrilled to serve as her Junior Bridesmaids in her wedding. She was a joyful, prayerful, person and I feel so blessed to have been part of her life.

“ For the last eight summers Regina and her amazing family have been our next door neighbors at the shore. We have had the privilege of seeing her beautiful smiling face often and the honor of listening to the wisdom in her words. She will be greatly missed by our family but we will continue to celebrate her life just as I suspect she would have wanted! Regina, I wouldn't drink Dewars when you were alive but I promise to have a shot in your honor. We love you!! Rest in peace my friend. Angela, Dan, Timmy and Gavin

“ Our deepest sympathies are with the entire family. Regina was the best neighbor and friend anyone could ask for, the matriarch of Beechtree Drive.  
She will be greatly missed. We all loved her and your father. May you find comfort that she is reunited with your dad in heaven. Love the Forrest Family.
