“ I shall never forget your father. Reggie was one of the kindest and warmest men I've ever met. He gave me the most precious gift (my son Jarrit) and losing Reggie on the same date is truly heart breaking. I know his passing will result in a huge outpouring of support and condolences. That only demonstrates how special he was and the impact he had on so many lives. I salute everything he achieved and what he believed in. He served his country with pride & distinction and is without a doubt a hero. My deepest sympathy to you and your family. Theresa Ferguson
