“ *Weather it was running a volunteer squad call with Craig, Craig coming out on a call as a medic, or picking him up at the bus stop and dropping him off at Lockheed, Craig always seemed to be in a good mood. He had a calm demeanor that we could use a lot more of.*

May he rest in peace.

“ *Craig, My time spent “growing up” with you at Arrowhead Lake was priceless. You were so witty, kind and a wonderful friend. My memories are flooding in when we both fell through the ice one winter and your quick actions got us out of trouble, holding my hair back when I was sick and driving way out of your way to pick me up when I was stranded. I am so not surprised that you made a career out of helping others. All my love as you go onto your next peaceful journey.*

My deepest sympathy to Carolyn and Steve.

“ *I was so saddened to hear this news. Recently in the last few years I saw kopeys retirement and your vacations on facebook. Carolyn you both looked so happy. We had some crazy childhood days. I was always hoping we would have a reunion. Again I am so sorry for your loss. Maybe we will get a reunion of the girls one day soon. Peace.*

Good friends are like stars, even though you can't always see them, you know they are there. Craig was one of those shining stars that touched our lives. You are loved and will be missed by the Childers Family.*
