“ *So sad. You were a great guy and I will miss all the good times we had. I hope there were no hard feelings but knowing who you were I seriously doubt it. The world is a little darker without you in it and I hope you at least found the happiness you were seeking.*

“ Please know I am not writing this to try and offend anyone at all. That is not why I'm writing this. I would just like to add some things the obituary left out. Richie was a loving brother to Michelle Foglio and Lisa Foglio. Cousin but more like a brother to Michael Davenport, Matthew Davenport, Fran Kelly, Shawn Kelly and Christen Kelly. And just like a son to Mary Kelly Davenport and William Davenport. They all thought the world of Richie and He thought the world of them. Even though Richie gained a new family two years ago, His forever family will always be in his heart and ours.

“ *This doesn't feel real and I don't think it ever will. When I first met you it was quite clear you were so much more to Matthew than his cousin, you were like his brother. You had a heart of gold Richie. I know I for one am gonna miss you picking me up and giving me the biggest hugs when you saw me , and the way you would say my name in that sweet high pitched voice of yours, and of course our sleep overs when you had to take the bus to work. You will truly be missed everyday Richie. You have brought so much love to everyone who had the pleasure of knowing you. I love you Richie*

“ Rich, I know that you are not in pain any more. I know you are with Daddy and the rest of the family and I know that they welcomed you home with open arms. It is going to be hard knowing that you are not here anymore. The Lord called you home to be with him and the rest heavenly family of angels and guardians. You will be greatly missed. You were the person that brought life and happiness to anyone that knew you. You loved everyone and anyone unconditionally. Remembering all of the times we had whether it was in the mountains, in New York City and road trip to AC to Trump Casinos. BTW Rich with the money that we gave to Trump; he was able to run a success campaign this year and is now going to be the President. Wish the Lord would have let you stay around to see that one. And we are going to miss your laughter, your big, your happiness, your smile, your kindness, and just everything about you including jokes. So I promise to find a joke for you as much as possible and post it to Facebook for you: But here a good one for you - A sandwich walks into a bar. The barman says "Sorry we don't serve food in here". My brother, I will miss you, until we see each other again, please do not party too hard with the family and go and break your spiritual hip ☐ I love you Rich and I am going to miss you like crazy... Til we meet again my brother Love Lisa.

“ Big Rich's laugh was a direct reflection of his joyful heart ❤️ He was a gentle giant who always made you smile and never made you cry. My family and I were so lucky to have him in our lives and we will all miss him dearly. He will be sadly missed and fondly remembered as one of the funniest, kindest, purest and most loving people any one of us has ever known. So happy that he met Lara and experienced that kind of love before his passing. RIP Big Rich, we will always love you. My sincerest condolences to the whole world - we lost a GREAT one 💔
