*And down by the brimming river  
I heard a lover sing  
Under an arch of the railway:  
'Love has no ending.*

*'I'll love you, dear, I'll love you  
Till China and Africa meet,  
And the river jumps over the mountain  
And the salmon sing in the street,*

*'I'll love you till the ocean  
Is folded and hung up to dry  
And the seven stars go squawking  
Like geese about the sky.*

*'The years shall run like rabbits,  
For in my arms I hold  
The Flower of the Ages,  
And the first love of the world.'*

*W H Auden*
