

Robert "Bobby" Guadagno

November 19, 1939 - May 31, 2022

Robert "Bobby" Guadagno, passed away at his home in Delran, NJ surrounded by his family on May 31, 2022. Born in Brooklyn, NY to the late Bernard Guadano and Doris Koletty, he was 82-years-old.

Bobby and his beloved wife Catherine nee Gilberto, were married for 57 years and together raised their daughters Cindy Baker (James) and Karen - Sally Lee in their home on Long Island.

Bobby loved many things, food and naps being at the top of the list; but all of it was surpassed by his love for his grandchildren, Jeffrey, Justin, Ava and Samara. Always generous with a laugh or hug, Bobby was completely enamored with his grandkids and would light up the brightest whenever they were around. He was always so proud of them and did not hesitate to share their accomplishments with anyone who had a minute.

Whether it was making chicken cutlets (with and without cheese), going over an obscure bit of trivia during a late night meal or the gregarious manner in which he greeted everyone, Bobby endeared himself to everyone he met and will be sorely missed.

In lieu of flowers the family asks that a donation be made to Memorial Sloan Kettering Cancer Center at <https://giving.mskcc.org/>
