

## Robert M. Creque

November 2, 1959 - December 8, 2022

Robert M. Creque, known as Bob to those who knew and loved him, passed away on December 8, 2022. Born to the late Richard and Verda Creque, he was 63 years old.

Bob was the beloved husband of Randy Lott; cherished father of Christine Creque (Dan) and Bobby Creque (Nicole); dear brother of Richard Creque. He will be missed by his grand-dogs, Winnie and Rasta. Bob is also survived by extended family members and friends who will miss him tremendously.

Bob was the epitome of energy. Anywhere he went, he brought a good time and made sure everyone else around him had a good time. If you went anywhere with him, you were always also meeting other people he knew. Bob connected with people in a way no one else could and loyalty was something that came natural to him.

Bob was a walking and talking billboard for Snap-On Tools. He spent most of his years working for this company and as many people have said, he was a legend. He made the most boring products seem to be the most exciting and he could sell ice to an eskimo.

He will be so missed by so many people.

Relatives and friends are invited to gather on Wednesday December 14th at Givnish of Cinnaminson, 1200 Route 130 N., from 9:30 am to 12:30 pm. A service will begin at 12:30 pm, followed by burial in Lakeview Memorial Park, Cinnaminson, NJ.

The service will be livestreamed and can be viewed using this link: <https://ww>

*Very kind true and heartfelt words you have spoken about Bob . I also feel terribly sad that I could not make the service as well. When I saw your kind and loving words too and about Bob I had to make a comment . Out of all the guys we went to school with and played on the soccer team Bob had the smile 24/7/365 no matter what. Happiest and toughest guy on the soccer team. I had never kicked the soccer ball and went out for the team and Bob told me how to play I couldn't believe I made the team. He took me under his wing. And I have memories of Bob that I never will have with another coming up in school. I really loved Bob. He was such a great man upbeat happy and smiling always and took me under his wing like a little brother a little brother. Thanks for sharing Frank beautiful kind and truthful words once again. And I've thought about him everyday since his passing. He was a lot like you Frank always upbeat and smiling. I just thank God for the time that he gave us with Bob . I'm very grateful for that and look forward to seeing him again. Cuz Bob would say this is just the beginning wih his ear to ear smile upbeat personality and genuine love of life. Thanks again Frank for sharing those kind and loving words. All true. Rest in peace Bob. And God bless you and your loved ones Frank. Always loved you as well. I had a very happy and cool dream with Bob and his life otherwise known as his team. Again rip Bob. That's what they say but I know Big Bob is at peace but he's gathering a crowd and making people happy and smiling. That is eternal !!! Love you both always and forever . Thanks Frank.*

“ Bob I can't believe you are gone, I've known you for more than 45 yrs. I'm glad I got to see you one more time at my Sister's funeral last September. Give her a big hug for me as I know she will give you a big hug from me. R.I.P. Bob. P.s. you asked me about Janet, our friend who worked at the pig with you, I called her to tell her, she passed last month. Give her a hug from me too. ❤️

“ My condolences to the Creque Family on the passing of Bob. Bob was always the person in our HS class who personified positivity all the time. No matter what you could always rely on his smile and wicked sense of humor to change the mood in the room. He carried that ability his whole life it seems. We will all dearly miss his bigger than life personality as he was the epitomy of our 70s lifestyle and embracing life's good times and harmony with people. That is something we can all reflect on with his passing at this time and cherish his influence and love of everybody and everything he gave us everyday. You do not find many people in life like that. Bob keep up the good work on the other side we will miss you until we see your big smile in the future. Godspeed !

“ The loss of a true friend is so sad and hard to process. Our hearts and thoughts are with you Randy, Christine, Bobby, Richard and the rest of your family and friends. From the day Bobby started work at Worldwide Vapor (Smoke) it NEVER was the same. He brought a whole new level of positive fun to sales. Keeping him in line was a real challenge so I gave up and turned him loose. The energy he had was next to none. A friend to anyone he met, and he ALWAYS remembered their name. That happy smile will never be forgotten. I'm so thankful we have so many stories and GREAT memories with Bob. At SFC 2008 we had the “Smoke-in GORILLA”. He was always pushing things to the limit. Everybody loved it, but we were asked to not bring the Gorilla back. He found that edge THAT BOBBY! So sad for such a fun positive person to go so soon. Bob we will NEVER forget you and I promise to keep sharing our stories for as long as I can. LOVE YA' SMOKE BROTHER RIP
