“ Dear Robert"Bob"

*I'm going to miss you so much. Such a gentleman and gentle giant. I remember how you got me into bowling and then joined the league. Everytime I had a doctor's appointment Bob made sure I made them all, because he'd always take me, and wait! Even with my many surgeries.*

*He had some good jokes and some were the worst! But, he'd say: well, it was funny to me.*

*Bob would read read three newspaper a day.*

*Bob, help build my son in law's man cave with half of his garage.*

*He made sure I met the most important people to him in his life. If I've met you with Bob, you were some of the few. He always did for others more so than he did for himself. Oh yes, we were Trexie. Star Trak was our favorite shows. I believe we watched every one, if not he had a movie for the ones I had missed. Lol! He was a big man but his heart was even bigger. He loved, people, the little ones. Lol! Bob had some dance moves, and he could sing! He loved the oldies. He could fix anything!! I'll miss his soft speaking voice. His encouragements, concerns, and his laughter. Bob, was smart too, because he knew just about everything! Plus, he read three newspaper a day!*

*My family, friends, and me will miss you so very much. Mr. Bob, Robert, Bobby, and most importantly the best friend any man or woman could ever have in their life.*

*I've known you Bob for over 25+ years. I love you, and always will.*

*Rest In Heaven Babe*
